REPORT OF PRESIDENT

President Neugebauer received a voicemail from a resident of the Westminster Village complimenting the District on this year's Calendar and asking if we will be sending another in the year 2011. President Neugebauer will be returning the customer's call.

President Neugebauer stated that Judy Donovan, who taught in Westminster School District and lives on Rochelle Ave, commented that Diane (who lives on Palomar and is known for other disruptive activities in the neighborhood) goes through all the cans and the police have stopped her, but she is still around and she carries a knife. Judy is scared of Diane and asks if there is anything MCSD can do. President Neugebauer explained to Judy that MCSD has no enforcement ability, but she will discuss options with The Board.

Discussion ensued.

The Board agreed a ticket is warranted and Staff is directed to contact the City of Westminster and ask for stronger enforcement.

President Neugebauer reported that Emily Sanchez who works in the Special Education Program at Johnson School called to commend the excellent program that Rainbow has for them. President Neugebauer said 'Thank you' and informed Emily that MCSD is a co-sponsor with Rainbow.

REPORT OF GENERAL MANAGER

GM Nordbak reminded The Board that there is a Budget meeting Tuesday, February 23rd, 2010, at 9:30 a.m. at MCSD and the Chamber of Commerce Awards Luncheon is at 11:00 a.m. at the Westminster Rose Center.

GM Nordbak reported that the MOU information previously discussed in the last meeting, has been enlarged and posted in the employee area per the Boards direction.

President Neugebauer stated that a copy for the front office should also be posted.

GM Nordbak will be sure another copy is posted in the front office.

REPORT FROM ORANGE COUNTY SANITATION DISTRICT MEETING

President Neugebauer reported that the Orange County Watch Dog has written a very negative article on Waste Water 101, mostly stating OCSD spent too much money on the making of Waste Water 101. President Neugebauer was able to review Michael Gold's response to the article. President Neugebauer sent an email to Michael Gold stating that a copy of the article was reviewed by MCSD Board and was widely accepted and the MCSD Board directed that it be forwarded to local cable channels to be viewed by residents.

President Neugebauer reported that in the Operations Committee last Tuesday, February 9, 2010 received a presentation on the Odor Control Program. She introduced the subject of the tanker truck deliveries at MCSD, she explained that she wants two things assured, one being that the material is not flammable, and secondly the size of the truck with cab completely blocks traffic, so maybe there are some trucks that are smaller. Her answer received via email, states that smaller trucks with more frequent deliveries is under consideration, and Brian Reed is working closely with AGM Robbins to improve logistics of the truck route through the MCSD. President Neugebauer's concern is when construction on Hazard Street begins; this will be a hazard to the public.

Discussion ensued.

CONSENT CALENDAR

President Neugebauer reviewed the procedure for consent calendar approval and asked if any Director requested an item to be pulled. There was no response.

A motion was made by Director Rice seconded by Director Epperson to approve item A on the Consent Calendar. The motion was approved by the following vote:

Before the vote Director Krippner asked for each item D & C then requested B to be reviewed separately.

Director Krippner did not explain why he wanted to discuss 7C and 7D.

Director Rice interjected item A would be pulled if she wanted to pull an item.

Director Krippner said yeah 7A too.

President Neugebauer said please be prepared when pulling items. Then she asked Director Rice if she would withdraw the motion to approve item A and motion to pull all items.

Director Rice said yes.

Director Krippner excused himself stating "I beg for a five minute break while we all get our senses back." (At 3:29 p.m. he left the room)

- A. Letter of support for Orange County Sanitation District in the State and Tribal Assistance Grant (STAG).

Director Rice clarified who was giving this Grant with GM Nordbak.

GM Nordbak explained the state is granting the money.

GM Nordbak reported that there is actually two letters, not just the one.

President Neugebauer asked for a motion to approve item A.

General Counsel Tom Nixon replied yes.

President Neugebauer continued with item A and asked Director Rice if information was clarified.

Director Diep moved approval of item A, motion failed for lack of a second.

President Neugebauer commented everyone should be prepared and again asked for a motion for approval to item A.

A motion was made by Director Rice seconded by Director Epperson to approve item A on the Consent Calendar. The motion was approved by the following vote:

AYES: Directors Diep, Epperson, Rice and Neugebauer
NOES: None
ABSENT: Director Krippner

B. Approval of attendance to Quarterly ISDOC Meeting on Thursday, February 25, 2010.

A motion was made by Director Rice seconded by Director Epperson to approve item B on the Consent Calendar. The motion was approved by the following vote:

AYES: Directors Diep, Epperson, Rice and Neugebauer
NOES: None
ABSENT: Director Krippner

President Neugebauer "Perhaps we'll hold item C, I think that may be the one that Director Krippner is most interested in, the investment report. So does the Board have any problem if we go right to item D?"

Director Diep said "No, he is here now."

Director Krippner returned to the meeting 3:33 p.m.

Director Krippner "When nature calls, nature calls."

Director Rice "They are giving free lunch too."

President Neugebauer "Yes, I found that they just raised the dues and now they are giving free lunch to six of us about a hundred dollars of free lunch. What sense does it make to raise the dues."

Director Rice "They raised the dues to pay for something else didn't they?"

Director Diep "For OCCOG Membership".

GM Nordbak "OCCOG Membership".

Director Rice "OCCOG".

President Neugebauer "Then they are giving back more than the increase."

Director Rice agreed, they are trying to make it up to us.

GM Nordbak "A net \$50.00 hit."

President Neugebauer "We were going to skip to item C, because I thought that's the one you might be most interested in. But since you're back, would you like Staff to make a presentation on that or do you have specific questions."

Director Krippner would like the minutes to reflect that he did not have a chance to explain items A, B, C, & D which he is pulling and apparently "You've run a roughshod over me" and he will be sure that gets recognized at the proper time.

President Neugebauer said to also put in verbatim Director Krippner's statement before he left the room.

Director Krippner said "I needed an emergency relief break, so I took it and nobody is going to tell me when nature calls that I cannot stop and do what I got to do."

President Neugebauer said to do it more privately.

Director Krippner "Well I did it as privately as I could, I even shut the door, so the more you make of it the more worse."

President Neugebauer to Director Krippner "I am about to hand this gavel to someone else."

Director Krippner "Give it to me."

President Neugebauer "You don't want it."

Director Krippner "Yes I do."

President Neugebauer "No you don't want me to hand it towards you."

Director Krippner "Yes I do, I'll defend myself."

President Neugebauer “No.”

Director Rice “Who’s the Vice President?”

President Neugebauer “Legal Counsel is there any appropriate action that I can take to control this, that you can recommend?”

Director Krippner to Legal Counsel Tom Nixon “Or me for that matter?”

Legal Counsel Tom Nixon “Well as the President of the Board, you are entitled to conduct the meeting in accordance with the District Policies and Procedures, so that includes control of the Agenda and how this matter moves forward.”

Director Krippner “Does that include sleeping on the job?”

Legal Counsel Tom Nixon “What?”

President Neugebauer “Director Krippner, you are out of order, I will tolerate your attack on me, but not any of the Board Members.”

Director Krippner “I didn’t say anybody else, I just said you’re not keeping control of the meeting, it’s way out of line and you gave a littany: A whole monolog.” “And you shouldn’t control the meeting to the detriment of the District. I want that in the minutes! I am asking for it.”

President Neugebauer “We are going to take a vote on it.”

Director Krippner “Okay, take a vote.”

President Neugebauer “You make a motion that gets in the minutes and see if it passes, see if it gets a second.”

Director Krippner “Everyone else has felt this way at times too, and one person, whom I will not mention believes you are a dictator, and that person is with us today.”

President Neugebauer “However that may be.”

Director Krippner “Tyrant was the actual word used.”

President Neugebauer “As I say, as long as I sit in this seat, I shall abide by the policies and procedures of which you are all aware and I am charged with keeping order and decorum at these meetings and today, I have failed.”

Director Krippner “Yes you have.”

President Neugebauer “But not for lack of trying.”

Director Krippner “Many times you have failed today.”

President Neugebauer “Director Krippner I am giving you two minutes and then we are getting back to the agenda, so anything else that you have to say, then we are going to return to item C.”

Director Rice to Director Krippner “What was it, that you were so concerned about?”

Director Krippner “I am once again stating that you have given me two minutes to state, and that is I want it made a matter of the minutes because I take exception with four items here, and if you are following the rules of the District Charter and if you are not doing that, I am protesting.”

President Neugebauer “Items A, B, C, & D have been pulled and we have addressed item’s 7A & B, we will now address item 7C.”

President Neugebauer stated to also be sure that Director Krippner’s exiting comment is reported.

Discussion Ensued.

Director Krippner re-stated that he is protesting and wants it recorded.

Director Krippner to GM Nordbak “I don’t need that.”

GM Nordbak “Pardon me?”

Director Krippner “I don’t need that!”

GM Nordbak “Don’t need what?”

Director Krippner “The smiling at Robert.”

GM Nordbak “I was letting him know that he is up next.”

President Neugebauer to Director Krippner “Limit your attack to me.”

Director Krippner to GM Nordbak “You work for the Board!”

President Neugebauer to Director Krippner again “Limit your attack to me.”

Director Krippner to GM Nordbak “You’re not helping your matters at all.”

President Neugebauer to Director Krippner “Limit your attack on the Board President.”

Director Krippner “Well then I will need more than two minutes.”

Director Rice “Let’s go over this AI.”

President Neugebauer moved to Item C.

C. Investment Report for January 2010.

President Neugebauer asked Director Krippner to voice his concern.

Director Rice asked Director Krippner “Was there something you were concerned about?”

Director Krippner said “No comment.”

President Neugebauer “Director Krippner also pulled item D, which is approval on...”

Director Krippner interrupted “A, B, C, & D.”

President Neugebauer “We already acted on A & B in your absence.”

Director Krippner “In my absence, when I couldn’t even let nature call. Take the time for it, and I want it in the record.”

President Neugebauer “It is already in the record.”

Director Krippner “Then I will put it in the newspaper, I am not afraid. I got nothing to lose, except justice and I will have it.”

President Neugebauer “If you get what you deserve, it won’t be justice.”

Director Krippner “A, B, C, & D, you are not controlling the meeting properly and that’s the truth, everybody here knows it.”

President Neugebauer “Why don’t you make a motion to that effect.”

GM Nordbak “President Neugebauer, on the last motion...”

Director Krippner interrupted “So moved.”

President Neugebauer “Is there a second to that motion?”

Director Krippner “There doesn’t have to be.”

President Neugebauer “Is there a second?”

Director Krippner “It’s a comment for the record.”

President Neugebauer “That motion failed for lack of a second.”

Director Krippner “It’s in the record, you know it did not get a second.”

GM Nordbak “President Neugebauer we didn’t get..”

Director Krippner interrupted “You know it.”

President Neugebauer to Director Krippner “Our Manager is speaking.”

GM Nordbak “We didn’t get the count...”

Director Krippner interrupted to President Neugebauer “I outrank him, (meaning GM Nordbak). Would you stop for a second, when I am talking, don’t interrupt, I really mean it!”

President Neugebauer “I think...”

Director Krippner interrupted “This is no blanking contest, I outrank you period and and I will for three more years, (to GM Nordbak).

President Neugebauer “Director Krippner.”

President Neugebauer “Directors, I apologize for my failure to control the meeting, but I cannot tolerate and I apologize to our General Manager and Staff for this type of abuse.”

Director Krippner to GM Nordbak “Would you interrupt our President, at the same time, don’t interrupt me or you’ll pay for it, (to GM Nordbak).”

President Neugebauer “When you’ve talked non stop.” (to Director Krippner)

Director Krippner “Yes, that’s exactly what you were doing.” (to President Neugebauer)

President Neugebauer “Does this meet requirements of MOU?”

GM Nordbak “Yes.”

GM Nordbak "We did not get the vote 4/0 or 5/0 on item C."

President Neugebauer "Director Krippner did not vote on 7C."

Director Krippner "4/0."

President Neugebauer moved on the item D.
